Ansley, Nuneaton - 4th December 2024

11 of us met at The Lord Nelson Inn car park for a 4.27 mile circular walk led by Bill which partly took us across a golf course in low mist and therefore held our breath hoping we wouldn't get hit by a golf ball (yes there were still golf players despite the fact that you couldn't see anything).

Plenty of mud to negotiate along the way but a hugely enjoyable walk.

As always, when finished, we ate at The Lord Nelson Inn which I think every one of us would highly recommend for fabulous meals and excellent service.
