

WALKS PROGRAMME

The walks programme is aimed at Members of Heart of England Way Association, but VISITORS are always welcome. If you would like information about any of the walks, or would like to check on the suitability for yourself, then please contact the WALK LEADER or the WALKS CO-ORDINATOR.

The programme is devised around a simple Sunday & Wednesday concept, with normally two walks a month as shown. Most walks are within close proximity of the main route of Heart of England Way or the Arden Way—the two routes we manage and promote.

Our normal walks are usually between five and six miles— we do cater for longer distance enthusiasts with our LONG DISTANCE group—contact Brian Stone 0121 706 7249. In the summer months we also organise shorter (3-4mils) 'Sunset strolls'

Stout footwear and practical clothing should be worn taking into account the terrain and the weather!

Please try and share transport for a walk as parking may be at a premium.

Walks Leaders are all VOLUNTEERS from the Association's membership. If you would like to lead a walk then please contact Dave Higgins (WALKS' CO-ORDINATOR).
