Kingsbury 31st May 2026

6 of us began an 8.9 mile circular walk from the Dog & Doublet towards Middleton where we stopped in a very nice location for a coffee break.

From there we headed to Drayton Bassett where we again stopped for lunch and thereafter joined the Heart of England Way following the canal to Broomey Croft and then through Kingsbury Water Park and back to the Dog & Doublet.

Perfect weather for a very enjoyable walk.
